Tazeen Arsalaan
Assistant Professor & HoD Finance Department, IoBM

Tazeen holds Mphil in Business Administration as well as Masters and Bachelors degree in Business Administration from Institute of Business Management. She is currently pursuing PhD in Business Management. She has over seventeen years of experience in corporate sector and academia. She worked for Saudi Pak Leasing, SMEDA and various reputed business schools as visiting faculty before joining IoBM as permanent faculty. Besides teaching Accounting & Finance courses, she is also actively involved in capstone projects where she has supervised more than twelve projects related to Financial Institutions and Markets. She is also faculty advisor of Finance Society of IoBM and has been performing the duties of the Coordinator – BBA program for the last five years.

Shazia Farooq
Financial Consultant and Visiting Faculty, IBA

Shazia Farooq, CFA: Shazia is an accomplished and versatile professional with 24 years of blended consulting, banking, teaching and training experience. Her unique mix of industry and consulting experience is a strong advantage towards adding value to her training assignments. She brings a global perspective, having worked as an off-shore consultant for ICD, private sector development arm of Islamic Development Bank (IDB) for seven years advising on development of investee institutions in several member countries. Furthermore, she has been involved with Centre for Excellence in Islamic Finance established at IBA as a consultant. To date she has trained 400 professionals under various finance related training programs initiated by IFMP (training arm of SECP), NIBAF and USAID. Previously she was associated with blue chip institutions including Meezan Bank, Ferguson Associates, Global Securities (at the time it was affiliated with Union Bank of Switzerland) and Lahore University of Management Sciences. She has taught at leading business schools including IBA, IoBM and SZABIST. Shazia was involved in compilation of a book on “Case Studies in Islamic Finance and Shariah Compliance” at CEIF IBA and has authored several research papers.
